IN RE: DELTA FARMS DRAINAGE DISTRICT

DECREE INCORPORATING DRAINAGE DISTRICT

This cause coming on this day to be heard upon the petition of S. ANSIN, Trustee, joined by SOPHIE ANSIN, his wife, and PETER C. MILLER, and LYLE W. RUSSELL praying that a contiguous body of wet and overflowed lands and lands subject to overflow, situated in the County of Indian River, State of Florida, with boundaries as described in said petition, and which boundaries are hereinafter fully set forth, be declared and incorporated as a Drainage District under the provisions of Chapter 298, Florida Statutes, 1961, said Drainage District to be known by the name of DELTA FARMS DRAINAGE DISTRICT, and to continue for ninety-nine years; and the Court finding that said petition is in due and regular form and was filed in the office of the Clerk of the Circuit Court of Indian River County, Florida on May 4, 1966; and the Court further finding from the sworn evidence submitted to the Court that the persons signing said petition are the holders and owners of a majority of acreage of the lands embraced in said Drainage District; and the Court further finding from the sworn evidence submitted to the Court that the lands embraced within said Drainage District constitute a contiguous body of wet and overflowed lands and lands subject to overflow, and that it is necessary and proper that said body of land should be formed into a Drainage District for the purpose of having such lands reclaimed and protected from the effects of water, for agricultural purposes by drainage; and the Court further finding from the Certificate of the Clerk of the Circuit Court of Indian River County, Florida, and from the sworn affidavit of J. J. SCHUMANN that due and regular notice

In accordance with law was given by the Clerk of the Circuit Court of Indian River County, Florida, to all persons interested in the lands embraced within said drainage district to appear on the 27th day of June, 1966 to show cause, if any there be, why said Drainage District as set forth in said petition shall not be organized as a public corporation of the State of Florida; and the Court finding further from the Certificate of said Clerk and from said Affidavits that said Notice in the form provided by law, was published in the Vero Beach Press Journal, a newspaper of general circulation published and circulated in Indian River County, Florida, for four consecutive weeks, and that said notice was published in said Vero Beach Press Journal on May 12, 19, 26, and June 2, 1966; and the Court further finding that no objections have been filed either with the Clerk of the Circuit Court of Indian River County, Florida; or with the Judge of this Circuit Court, by any owner of the lands in said proposed District or by any person whomsoever resisting the organization and incorporation of said District or stating any reason why his lands or any part thereof should not be included within said Drainage District; or denying any of the statements in said petition; and the Court being of the opinion that the establishment of said Drainage District and the improvements to be made therein will be to the advantage of the owners of the real property therein and that the same will be in the interest of the public health, convenience and welfare, and the Court finding it has jurisdiction of this cause and of the subject matter thereof and of the parties thereto and further finding that all the proceedings and steps preliminary to the making of this Decree, have been duly and regularly performed in accordance with the laws of the State of Florida, and the Court being fully advised in the premises, it is, therefore,
